

SORES and Ulcers

DRAIN THE SYSTEM, ENDANGER LIFE.

That old sore or ulcer, which has been a source of pain, worry and anxiety to you for five or ten years—maybe longer—doesn't heal because you are not using the proper treatment, but are trying to cure it with salves and washes. While these are soothing and relieve pain to some extent, no real, permanent good can come from their use, because the disease is in the blood and far beyond the reach of external applications.

A sore heals promptly when the blood is in good condition, but never if it is diseased. The tendency of these old sores and ulcers is to grow worse, spreading and eating deeper into the flesh. They are a constant drain upon the system, gradually but surely ruin the health and sap the very life. A person's capacity for work or pleasure is soon lost in the great desire and search for something to cure.

S. S. S. makes a rapid and permanent cure of old sores and ulcers, and is the only medicine that does, because no other can reach deep-seated blood troubles. Ordinary Sarsaparilla and potash mixtures are too weak and watery to overcome a deadly poison that has taken possession of the blood. Do not waste valuable time experimenting with them.

"Some years ago I was shot in the left leg, receiving what I considered only a slight wound. It developed into a running sore and gave me a great deal of pain. I was treated by many doctors, and took a number of blood remedies, but none did me any good. I had heard S. S. S. highly recommended and concluded to give it a trial. The result was truly gratifying. S. S. S. seemed to get right at the trouble, and forced the poison out of my blood; soon afterwards the sore healed up and was cured sound and well. I now have perfect use of the leg, which was swollen and very stiff for a long time." J. H. McBRAYER, Lawrenceburg, Ky.

S. S. S. is the only purely vegetable blood purifier known; it is made of roots and herbs of wonderful purifying properties, which no poison can resist. S. S. S. quickly and effectively cures all morbid, unhealthy humors, and the old, troublesome sore heals. At the same time the general health is invigorated and built up. When a little scratch or hurt fails to heal readily, you may be sure your blood is bad. S. S. S. will soon put it in order and keep it so.

Our Medical Department is in charge of experienced physicians, who have made blood diseases a life study. If you will write them about your case, they will gladly furnish all information or advice wanted, without any charge whatever. Address SWIFT SPECIFIC CO., ATLANTA, GA.

THE NEW AMENDMENT.

The following is the new amendment passed by the Legislature in session June 13th, 1900:

An Act Supplemental to an Act Entitled "An Act to Amend the Constitution of North Carolina," Rati- fied February 21st, 1899, the Same Being Chapter Two Hundred and Eighteen of the Public Laws of 1899.

The General Assembly of North Carolina do enact:

Section 1. That Chapter 218, Public Laws 1899, entitled "An Act to Amend the Constitution of North Carolina," be amended so as to make said act read as follows:

"That article 6 of the Constitution of North Carolina be, and the same is hereby obrogated, and in lieu thereof shall be substituted the following article of said Constitution as an entire and indivisible plan of suffrage."

ARTICLE VI.

SUFFRAGE AND ELIGIBILITY.

Section I. Every male person born in the United States, and every male person who has been naturalized, twenty-one years of age, and possessing the qualifications set out in this Article, shall be entitled to vote at any election by the people in the State, except as otherwise herein provided.

(Section 1.) Every male person born in the United States and every male person who has been naturalized, 21 years of age and possessing the qualifications set out in this article, shall be entitled to vote at any election by the people in the State, except as herein otherwise provided.

(Section 2.) He shall have resided in the State of North Carolina for 2 years, in the county six months, and in the precinct, ward or other election district in which he offers to vote, four months next preceding the election: Provided, That removal from precinct, ward or other election district, to another in the same county, shall not operate to deprive any person of the right to vote in the precinct, ward or other election district, from which he has removed until four months after such removal. No person who has been convicted or who has confessed his guilt in open court upon indictment, of any crime, the punishment of which now is or may hereafter be imprisonment in the State prison, shall be permitted to vote unless the said person shall be first restored to citizenship in the manner prescribed by law.

(Section 3.) Every person offering to vote shall be at the time a legally registered voter as herein prescribed and in the manner hereafter provided by law, and the General Assembly of North Carolina shall enact general registration laws to carry into effect the provisions of this article.

(Section 4.) Every person presenting himself for registration shall be able to read and write any section of the Constitution in the English language, and before he shall be entitled to vote, shall have paid on or before the first day of May of the year in which he proposes to vote his poll tax for the previous year as prescribed by Article 5, Section 1, of the Constitution. But no male person, who was on January 1, 1867, or at any time prior thereto, entitled to vote under the laws of any State in the United States wherein he then resided, and no lineal descendant of any such person shall be denied the right to register and vote at any election in this State by reason of his failure to possess the educational qualification herein prescribed: Provided he shall have registered in accordance with the terms of this section prior to December 1, 1908.

The General Assembly shall provide for the registration of all persons entitled to vote without the educational qualifications herein prescribed, and shall, on or before November 1st, 1908, provide for the making of a permanent record of such registration, and all persons so registered shall forever thereafter have the right to vote in all elections by the people in this State, unless disqualified under Section 2 of this article: Provided such person shall have paid his poll tax as above required.

Section 5. That this Amendment to the Constitution is presented and adopted as one indivisible plan for the regulation of the suffrage, with the intent and purpose to so connect the different parts, and to make them so dependent upon each other that the whole shall stand or fall together.

Section 6. All elections by the people shall be by ballot, and all elections by the General Assembly shall be viva voce.

Section 7. Every voter in North Carolina, except as in this article disqualified, shall be eligible to office, but before entering upon the duties of the office, he shall take and subscribe the following oath: "I...

You may as well expect to run a steam engine without water as to find an active, energetic man with a torpid liver, and you may know that his liver is torpid when he does not relish his food, or feels dull and languid after eating, often has headache and sometimes dizziness. do solemnly swear (or affirm) that I will support and maintain the Constitution and laws of the United States, and the Constitution and laws of North Carolina, not inconsistent therewith; and that I will faithfully discharge the duties of my office as....., so help me God."

Section 8. The following classes of persons shall be disqualified for office: First, all persons who shall deny the being of Almighty God.

Second, all persons who shall have been convicted, or confessed their guilt on indictment pending; and whether sentenced or not or under judgment suspended, of any treason or felony, or of any other crime for which the punishment may be imprisonment in the penitentiary, since becoming citizens of the United States, or of corruption or malpractice in office; unless such person shall be restored to the rights of citizenship in a manner prescribed by law.

That this amendment to the Constitution shall go into effect on the first day of July, 1902, if a majority of votes cast the next general election shall be cast in favor of this suffrage amendment.

Section II. This amendment to the Constitution shall be submitted at the next general election to the qualified voters of the State, in the same manner and under the same rules and regulations as is provided in the law regulating general elections in this State, and at said elections those persons desiring to vote for such amendment shall cast a written or printed ballot with the words, "For Suffrage Amendment" thereon; and those with a contrary opinion shall cast a written or printed ballot with the words, "Against Suffrage Amendment" thereon.

Section III. The votes cast at said election shall be counted, compared, returned and canvassed, and the result announced and declared under the same rules and regulations, and in the same manner as the vote for Governor, and if a majority of the votes cast are in favor of the said amendment, it shall be the duty of the Governor of the State, upon being notified of the result of said election, to certify said amendment, under the seal of the State, to the Secretary of the State, who shall enroll the said amendment, so certified, among the permanent records of his office.

Section IV. This act shall be in force from and after its ratification.

QUART BOTTLES.

IN THE SHADOW OF DEATH.

A Whole Family Cured.

Mrs. C. H. Kingbury, who keeps a millinery and fancy goods store at St. Louis, Great Co., Mich., and who is well known throughout the country, says:

"I was badly troubled with rheumatism, catarrh and neuralgia. I had liver complaint and was very bilious. I was in a bad condition; every day I began to fear that I should never be a well woman; that I should have to settle down into a chronic invalid, and live in the shadow of death. I had JOHNSTON'S SARSAPARILLA recommended to me. I TOOK FOUR BOTTLES AND IT CURED ME, and cured my family both. I am very glad that I heard of it. I would cheerfully recommend it to every one. I have taken many other kinds of medicine. I prefer JOHNSTON'S to all of them." MICHAEL DRUG CO., Detroit, Mich.
